

This Service Contract is entered into by Empire Access Corporation ("Empire Access") and the customer identified below ("Customer") as of the date of execution by both Customer and Empire Access as indicated below. Security and automation services are provided by Planned Alert, Inc. on behalf of Empire Access. This Service Contract is subject to the Service Terms and Conditions ("T&C"), the applicable Service Level Agreements ("SLA"), and Empire Access's Acceptable Use Policy ("AUP"), each as set forth in full on the Empire Access web site at www.EmpireAccess.com from time to time. The T&C, the SLA and the AUP are incorporated herein by reference and, along with the Service Contract and any Addendum to the Service Contract, are collectively referred to as the "Contract Documents." Empire Access agrees to provide, and Customer agrees to purchase, the services described below in accordance with the provisions in the Contract Documents. Customer authorizes Empire Access to act as the Customer's agent for all matters relating to providing the services in this Service Contract.
