1. Resolution calling for a public hearing relative to the proposed 2022 Chemung County Legislative Redistricting Plan

PUBLIC HEARING – June 6, 2022

LEGISLATIVE CHAMBERS, 5TH FLOOR, HAZLETT BUILDING, ELMIRA, NY

6:45 P.M. - Public Hearing on the proposed Chemung County Legislative Redistricting maps (as required by Chemung County Charter, Article II, Section 201.6).

Legislature was called to order by the Chairman of the Chemung County Legislature. The following members were present when the Clerk called roll:

Pastrick _x__	Manchester _x__	Sweet _x__	Brennan _x__
Margeson _x__	Hyland _x__	Sonsire _x__	Woodard _x__
Burin _x__	Chalk _x__	Briggs _x__	McCarthy _x__
Drake _x__	Smith _x__	Strange _x__	

A public hearing was held by the Chemung County Legislature relative to hearing any and all public comment for the above-referenced purpose. The hearing was held in the Legislative Chambers. The hearing was called to order by the Chair of the Legislature, who turned the hearing over to the Attorney for the Legislature who served as the Hearing Officer.

The Hearing Officer read the Notice of Public Hearing, and advised the public of the rules governing a public hearing. The Hearing Officer asked if there was anyone who wished to speak.

A resident of Chemung County raised concerns regarding the number of Legislators per municipality. He is concerned that the Town of Southport has four legislative districts while the Town of Horseheads that is almost twice the size has just five legislative districts. He noted that in the proposed plan District 13 juts out and extends unnaturally into Southport and District 15 meanders up and down and is oddly shaped. He is also concerned that in four of the proposed

district maps new candidates for the Legislator would be shifted to different districts.

A resident of Chemung County raised concerns regarding the proposed changes to the fifteenth Legislative District.

Having determined that everyone who wished to be heard had there and then been heard, the public hearing was adjourned at 6:55 p.m.
