Mr. Smith suggested that the the Budget Committee revisit the tabled resolution regarding the Chemung County Nursing Facility (CCNF) feasibility study in the absence of any communications from the County Executive after numerous attempts.

Mrs. Sonsire suggested using American Rescue Plan Act (ARPA) funds to fund Nursing Facility financial analysis study.

Mr. Chalk stated that he believes it is truly irresponsible of the Legislature to not be more aggressive to attempt to address loosing thousands of dollars a day in taxpayer money on the CCNF.

1. ARPA Grant follow-up - Attorney to the Legislature

Mr. Manchester reported that the county received the second installment of $8 million of the American Rescue Plan Act (ARPA ). In response to Mr. Burin's request, the Attorney to the Legislature, Bryan Maggs offered his opinion regarding options the Legislature can take to get the American Rescue Plan Act (ARPA) funds out to the community that were approved in the 2022 budget, specifically the Agricultural Subsidy program and the Orange Zone stimulus.

In response to Mr. Burin's statement, Attorney Maggs clarified that the County Executive's request for injunction to stop the Legislature from spending any money in the approved 2022 budget was denied by the judge. Attorney Maggs stated that the judge clarified that the money
approved in the 2022 budget is not frozen, and that the County Treasurer is directed to pay any subsequent monies appropriated in the approved 2022 budget.

Motion to enter into executive session to discuss potential litigation on a specific matter was made by Mr. Margeson, seconded by Mr. Burin. Motion Carried.

Distributions under Section 3.2(f) will be reportable as taxable income to the extent required by applicable law.
SECTION 4
INVESTMENT OF AMOUNTS DEFERRED OR CONTRIBUTED AND ROLLOVER CONTRIBUTIONS

4.1 Remittance of Deferrals and Contributions. All Amounts Deferred or Contributed in accordance with Section 3 shall be paid by the applicable Employer as promptly as possible, but in no event later than two Business Days from the applicable payroll date, to the Trust Fund. Thereafter, Amounts Deferred or Contributed shall be invested by the Trustee in accordance with the investment instructions received by the Trustee from the Administrative Service Agency, within two Business Days following receipt by the Trust Fund of such Amounts Deferred or Contributed (or, if later, on the first Business Day coincident with or immediately following receipt by the Trustee of the investment instructions from the Administrative Service Agency related to such Amounts Deferred or Contributed). All such Amounts Deferred or Contributed shall be invested by the Trustee (in accordance with the investment instructions received from the Administrative Service Agency) in the Investment Options provided by one or more Financial Organizations appointed by the Committee in accordance with the Regulations, and shall be held, managed, invested and reinvested in accordance with the applicable agreement entered into by the Committee or the Trustee with each such Financial Organization.

4.2 Allocation of Deferrals and Contributions. A Participant who has enrolled in the Plan pursuant to Section 2 shall, by filing a direction with the Administrative Service Agency in writing or in such other manner as the Committee may authorize, specify the percentage (in multiples of one percent) of his or her Amounts Deferred or Contributed, that shall be allocated to each Investment Option made available by the Committee. A Participant’s investment allocation elections shall be applied in the same manner to both Before-Tax Deferrals and Roth Contributions (to the extent applicable).

4.3 Continuation of Deferral and Contribution Allocation. Any deferral and contribution allocation direction given by a Participant shall be deemed to be a continuing direction until changed by the Participant. A Participant may change his or her deferral and contribution allocation direction with respect to future Amounts Deferred or Contributed, as of any Enrollment Date, by giving notice in writing or in such other manner as the Committee may authorize, to liquidate his or her Amounts Deferred or Contributed, as of any Enrollment Date, by giving notice in writing or in such other manner as the Committee may authorize, to the Administrative Service Agency prior to any Enrollment Date. Any change to a Participant’s deferral and contribution allocation direction shall be applied in the same manner to both Before-Tax Deferrals and Roth Contributions (to the extent applicable). All such future deferrals and contributions shall be invested by the Trustee in the Investment Options in accordance with such changed direction.

4.4 Transfer of Assets Among Investment Options.

(a) Transfer of Assets. As of any Valuation Date an Account Participant may direct the Administrative Service Agency, by giving notice in writing or in such other manner as the Committee may authorize, to liquidate his or her interest in any of the Investment Options and transfer the proceeds thereof to one or more other Investment Options in the proportions directed by such Participant. Account Participants may make separate transfer directions for their Before-Tax Deferral Accounts and Accounts relating to Rollover Contributions involving before-tax deferrals and their Roth Accounts and Accounts relating to Rollover Contributions involving
Roth contributions (to the extent applicable). Such direction must be made in accordance with the requirements and procedures established by the Committee and in effect at the time and in a multiple of one percent or one dollar increments of the Account Participant’s interest in the applicable Investment Option.

(b) Committee’s Right to Reduce or Deny Transfer Request. If the Trustee or any Financial Organization appointed by the Committee advises the Committee, or the Committee otherwise determines, that it is not reasonably able to prudently liquidate the necessary amount and transfer it from one of the Investment Options to another, the amount to be transferred with respect to each Account Participant who duly requested such a transfer may be reduced in proportion to the ratio which the aggregate amount that the Trustee or the Financial Organization has advised the Committee may not prudently be so transferred bears to the aggregate amount that all Account Participants have duly requested be so transferred. Regardless of any Account Participant’s investment direction, no transfer between Investment Options may be made in violation of any restriction imposed by the terms of the agreement between the Committee or the Trustee and a Financial Organization providing any Investment Option or of any applicable law. Notwithstanding anything in this Section 4.4(b) or the Plan to the contrary, the Committee, the Trustee or the Financial Organization shall have the right, without prior notice to any Account Participant, to suspend, for a limited period of time, daily transfers between and among Investment Options for one or more days if the Committee, the Trustee or the Financial Organization determines that such action is necessary or advisable (i) in light of unusual market conditions, (ii) in response to technical or mechanical problems with the Plan’s or the Administrative Service Agency’s record keeping systems, (iii) in connection with any suspension of normal trading activity on the New York Stock Exchange or other major securities exchange, (iv) as a result of strikes, work stoppages, acts of war or terrorism, insurrection, revolution, nuclear or natural catastrophes or other similar events, losses or interruptions of power, other utility outages or malfunctions, or malfunctions in communications or computer services, in each case, that make it necessary or advisable to suspend trading activity, or (v) in accordance with Section 4.10.

4.5 Administrative Actions with Regard to Investment Directions. The Administrative Service Agency shall have the right to decline to implement any investment direction upon its determination that: (i) the person giving the direction is legally incompetent to do so; (ii) implementation of the investment direction would be contrary to the Plan or applicable law or governmental ruling or regulation including, Treasury Regulations; (iii) implementation of the investment direction would be contrary to a court order, including, a Qualified Domestic Relations Order; (iv) implementation of the investment direction would be contrary to the rules, regulations or prospectuses of the Investment Funds; or (v) implementation of the investment direction would be contrary to the investment guidelines or terms of any agreements applicable to the Stable Value Fund or any similar Investment Fund then available under the Plan.

4.6 Account Participant Responsibility for Deferrals, Contributions and Investment Allocations. Each Participant is solely responsible for the allocation of his or her Amounts Deferred or Contributed, and each Account Participant is solely responsible for the investment allocation of his or her Account, in each case, in and among the Investment Options. Each Account Participant shall assume all risk in connection with the allocation of amounts in and among the Investment Options and for any losses incurred or deemed to be incurred as a result of
the Account Participant’s allocation or failure to allocate any amount to an Investment Option or any decrease in the value of any Investment Option. Neither the Committee, any Trustee, any Employer nor the Administrative Service Agency is empowered to advise a Participant as to the manner in which the Account Participant’s Account shall be allocated among the Investment Options. The fact that a particular Investment Option is available to Participants for investment under the Plan shall not be construed by any Account Participant as a recommendation for investment in such Investment Option. If the Committee elects to make available investment guidance services or investment advice services to Account Participants, such services shall be utilized only at the voluntary election of the Account Participant and shall not limit the Account Participant’s responsibility under Section 4.6 for the allocation of his or her Accounts in and among the Investment Options.

4.7 Investment Allocation of Alternate Payee Accounts. Notwithstanding any other provision of the Plan, during any period when an Alternate Payee Account is created and segregated on behalf of an Alternate Payee pursuant to a Qualified Domestic Relations Order from the Accounts of the related Participant, the Alternate Payee shall be entitled to direct the allocation of investments of such Alternate Payee Account in accordance with Sections 4.2 and 4.4, as applicable, and shall be subject to the provisions of Sections 4.5 and 4.6, but only to the extent provided in such order. In the event that an Alternate Payee fails to specify an investment direction on the date of creation of the Alternate Payee Account pursuant to Section 4.9, such Alternate Payee’s Alternate Payee Account shall be invested in the same manner as the relevant Participant’s corresponding Before-Tax Deferral Account, Roth Account (to the extent applicable) and Rollover Accounts on such date and, except as otherwise provided by the Qualified Domestic Relations Order, shall remain invested in accordance with such initial allocation until the Alternate Payee directs otherwise or until such time as the Alternate Payee ceases to have an Alternate Payee Account under the Plan by reason of distribution or otherwise.

4.8 Investment Allocation of Beneficiary Accounts. Notwithstanding any other provision of the Plan, during any period following the death of a Participant and prior to distribution of the entire Plan Benefit of such Participant, such Participant’s Beneficiary shall be entitled to direct the allocation of investments of such Plan Benefit in accordance with Section 4.4 or, as applicable, his or her proportional interest in such Plan Benefit, in accordance with Section 4.4 and shall be subject to the provisions of Sections 4.5 and 4.6. In the event that a Beneficiary fails to specify an investment direction on the date of creation of the Beneficiary Account pursuant to Section 4.4, such Beneficiary’s Beneficiary Account shall be invested in the same manner as the relevant Participant’s corresponding Before-Tax Deferral Account, Roth Account (to the extent applicable) and Rollover Accounts on such date.

4.9 Initial and Ongoing Investment Allocation with respect to Rollover Contributions and Section 457 Transfers. Unless otherwise directed by the Account Participant, the same deferral and contribution allocation direction applicable to an Account Participant pursuant to Section 4.2 or 4.3, as applicable, shall apply to all Section 457 Transfers and Rollover Contributions. Notwithstanding the foregoing, in accordance with procedures established by the Administrative Service Agency, an Account Participant may make an alternative initial allocation election in accordance with the procedures set forth in Section 4.4 for any applicable Section 457 Transfer or Rollover Contribution. Thereafter, such Account Participant may direct the Administrative Service Agency to liquidate his or her interest in any of the Investment Options and transfer the
proceeds thereof to one or more other Investment Options in accordance with Section 4.4 (in each case subject to the limitations set forth in Sections 4.5 and 4.6). All Rollover Contributions shall be invested by the Trustee in the Investment Options in accordance with such directions as soon as administratively practicable.

4.10 Fund Mapping or Similar Activity. Notwithstanding anything in Section 4 to the contrary, if the Committee eliminates one or more of the Investment Funds or Investment Options or undertakes similar activity on behalf of the Plan, the Committee shall be authorized to liquidate without an Account Participant’s consent and without the need for prior notice to the Account Participant the portion of each Account invested in such eliminated Investment Fund or Investment Option and direct the proceeds of such liquidation in one or more remaining or replacement Investment Funds or Investment Options in accordance with such liquidation and transfer procedures as the Committee may determine to be necessary or advisable in connection with such elimination.
SECTION 5

Notwithstanding the foregoing, other than Rollover Contributions from a Qualified Roth Contribution Program as described in the preceding sentence, the Administrative Service Agency shall not accept any Rollover Contribution, or any portion thereof, that represents deferrals or contributions under another Eligible Retirement Plan that were made from compensation that was included in the Participant, Beneficiary or spousal Alternate Payee’s gross income in the year the amounts were deferred or contributed. The Administrative Service Agency may require such documentation from the distributing Eligible Retirement Plan as it deems necessary to effectuate the rollover in accordance with section 402 of the Code and to confirm that such plan is an Eligible Retirement Plan.

(b) Written Request; Acceptance of Assets. The Administrative Service Agency, in accordance with the Code and procedures established by the Committee, shall, as soon as practicable following its receipt of the written request of a Participant, a Beneficiary who is a Participant’s Surviving Spouse or spousal Alternate Payee, determine whether the Rollover Contribution shall be accepted by the Plan. (c) **Rollover Account.** The Rollover Contribution shall be maintained in a separate, fully vested Rollover Account for the benefit of the contributing Participant or the Beneficiary and, in the case of a spousal Alternate Payee, the Alternate Payee Account, and shall be invested in accordance with the investment direction of the applicable Account Participant pursuant to Section 4.9. All amounts so transferred shall be credited to the Account Participant’s Rollover Account or Alternate Payee Account and shall be available for distribution at any time during the Plan Year. No other contributions shall be allocated to the Rollover Account. Any Rollover Contributions of amounts from a Qualified Roth Contribution Program shall be segregated and held in a separately designated and maintained Rollover Account from those amounts not from a Qualified Roth Contribution Program. At the election of the Participant, Beneficiary who is a Participant’s Surviving Spouse or spousal Alternate Payee, any Rollover Contributions or 457 Transfers from an eligible deferred compensation plan under Section 457(b) of the Code may be held in separately designated and maintained Rollover Accounts for 457(b) Rollover Contributions; provided that any such amounts from a Qualified Roth Contribution Program and any such amounts not from a Qualified Roth Contribution Program shall be segregated and held in separately designated and maintained 457(b) Rollover Accounts.

5.3 **Form of 457 Transfer or Rollover Contribution.** Each 457 Transfer and Rollover Contribution shall consist only of (i) cash and (ii) to the extent that the Employer has resolved to adopt a loan program pursuant to Section 7.3 of Schedule A, solely with respect to 457 Transfers and Rollover Contributions from another eligible deferred compensation plan under Section 457 of the Code maintained by a Public Employer or the Deferred Compensation Plan for Employees of the State of New York and Other Participating Jurisdictions, any outstanding loan to the applicable Account Participant under the transferring or distributing 457 plan, provided that (A) such outstanding loan will be subject to the same terms and conditions as in place under the transferring or distributing 457 plan, (B) an Account Participant may not make a Rollover Contribution that includes an outstanding loan unless the entire amount of such Account Participant’s plan benefit under the transferring or distributing 457 plan is contributed into the Plan, (C) the source of the outstanding loan disbursement under the transferring or distributing 457 plan must have been from before-tax deferrals, and (D) the Account Participant does not have a loan outstanding, or a defaulted loan that has not yet been repaid, under the Plan at the time of the 457 Transfer or Rollover Contribution.

5.4 **Rollover of Assets to Purchase Retirement Service Credit.** With respect to trustee-to-trustee transfers, a Participant or Beneficiary may elect, in accordance with procedures established by the Committee, to have all or any portion of the value of his or her Account transferred to the trustee of a defined benefit governmental plan as described in Section 414(d) of the Code; provided, however, that such transfer is for the purchase of permissive service credit (as defined in Section 415(n)(3)(A) of the Code) under such plan or a repayment of contributions and earnings with respect to a forfeiture of service under such plan.

As of any date that is not a Valuation Date, a Participant’s Plan Benefit shall be calculated in accordance with the previous sentence as of such date, but based upon the value of the Account Participant’s Accounts as of the close of the most recent Valuation Date. The value of an Account as of a Valuation Date shall be calculated as of each Valuation Date in accordance with a methodology established by the Committee and reasonably and consistently applied to all similarly situated Account Participants and shall be based upon an Account Participant’s aggregate deferrals and contributions to the Trust Fund and distributions and withdrawals from the Trust Fund, the investment performance of the Investment Options in which each Account has been allocated, and any fees, credits or debits allocable to each Account. Notwithstanding anything in Section 7.3 to the contrary, a Participant who has defaulted on a loan made under the Plan shall not be eligible to obtain another loan hereunder until the defaulted loan and accrued interest has been repaid, and the new loan shall be subject to any other limitations required under Section 1.72(p) of the Treasury Regulations.

If the balance of the Participant’s Account and Rollover Account is less than such amount, then the payment will equal the total amount of the Participant’s Account and Rollover Account. Installment payments may consist of (A) fixed amounts paid on each payment date as designated by the Participant (or in the case of the death of a Participant, his or her Beneficiary), or (B) formulaic amounts determined by the Administrative Service Agency, based on a fixed period designated by the Participant (or in the case of the death of a Participant, his or her Beneficiary), calculated by dividing the Plan Benefit on the date of the payment by the number of payments remaining during the fixed period.
(iii) A Participant who elects to receive installment payments or who is currently receiving installment payments pursuant to Section 8.1(c)(ii) may elect, subject to any limitations set forth by the Committee and in accordance with procedures established by the Administrative Service Agency, to receive a portion of his or her Account distributed in a lump sum; provided, however, that no lump sum payment shall be less than the Minimum Lump Sum Amount; and provided further, that the number of such elections in any Plan Year may not exceed the Maximum Annual Number of Partial Distributions, as set forth in Section 8.1(c) of Schedule A. Such lump sum payments shall not result in a discontinuation of subsequent installment payments; provided, however, that such subsequent payments may be redetermined in accordance with methods and procedures established by the Administrative Service Agency.

(iv) A Participant who is an eligible retired public safety officer, as defined in Section 402(l) of the Code, may elect, at the time and in the manner prescribed by the Administrative Service Agency, to have up to $3,000 per year (or such greater amount as may be permitted under applicable guidance issued by the Internal Revenue Service) of amounts from his or her Before-Tax Deferral Account distributable under the Plan used to pay qualified health insurance premiums for an accident or health plan or long-term care insurance contract covering the Participant and his or her spouse and dependents. Such amounts are excludible from the Participant’s gross income to the extent the qualified health insurance premiums are paid directly to the provider of the accident or health plan or long-term care insurance contract (determined in accordance with Section 402(l) of the Code) by deduction from a distribution to the Plan.

(v) For each distribution election under Section 8.1(c), a Participant shall designate the percentage of each distribution that will come from his or her Before-Tax Deferral Account and the percentage that will come from his or her Roth Account (to the extent applicable). For the avoidance of doubt, for purposes of the limitations and restrictions described in this Section 8.1(c), each distribution election made by a Participant and each payment made in accordance thereto shall be deemed to be one election and one payment, even if payment is made both from the Participant’s Before-Tax Deferral Account and from his or her Roth Account (to the extent applicable).

Notwithstanding the foregoing, a Participant may not elect an installment period extending beyond the longest of (A) his or her life expectancy, (B) if his or her designated Beneficiary is his or her Spouse, the life expectancy of the Participant and his or her Spouse and (C) if his designated Beneficiary is not his or her Spouse, the life expectancy determined using the applicable table contained in the applicable Treasury Regulation.

(d) Calculation of Payments.

(i) If a Participant elects a total lump sum payment, pursuant to Section 8.1(c)(i), the Participant’s Plan Benefit shall be determined as of the Valuation Date coincident with or last preceding the date on which the Plan Benefit is
withdrawn from the Investment Options and liquidated for distribution. Such
liquidated amount (i) shall be held in the Trust Fund in a payment account
maintained by the Trustee for this purpose and (ii) shall not be credited with
interest or investment gains or losses following the date of liquidation.

(ii) If a Participant elects to receive a partial lump sum payment pursuant to
Section 8.1(c)(i) or (iii), installment payments pursuant to Section 8.1(c)(i), or
payment of qualified health insurance premiums for an accident or health plan or
long-term care insurance contract covering the Participant and his or her spouse
and dependents pursuant to paragraph Section 8.1(c)(iv), any remaining balance
in such Participant’s Accounts shall continue to participate in the investment
performance of the Investment Options in which such amounts are invested and to
bear its allocable share of administrative and investment expenses until the
Valuation Date coincident with or last preceding the date on which such Plan
Benefit amounts are withdrawn from the Investment Funds and liquidated for
distribution; provided, however, that the amount of the installments need not be
redetermined to reflect changes in the value of the Account more frequently than
annually. All such redeterminations shall be made by the Administrative Service
Agency in accordance with procedures of uniform application. Any amount
liquidated for purposes of an installment payment (i) shall be held in the Trust
Fund in a payment account maintained by the Trustee for this purpose and (ii)
shall not be credited with interest or investment gains or losses following the date
of liquidation.

(e) Distribution Election. In the case of the Participant’s Severance from
Employment with the Employer, a distribution election made by the Participant shall specify the
form of payment as provided in Section 8.1(c) and the date on which payments shall commence;
provided, however, that any such payments that would result in an account balance of less than
$500 may not commence earlier than at the end of the Distribution Waiting Period; provided,
further that the timing of any distribution must be in compliance with Section 8.6. Subject to
Section 8.6, a Participant who is receiving distributions under the Plan may change both the
timing and the method of payment elected subject to any limitations set forth by the Committee
and in accordance with procedures established by the Administrative Service Agency.

(f) Rollover Accounts. Notwithstanding any other provision of Section 8.1,
a Participant who has one or more Rollover Accounts shall be permitted to withdraw all or any
portion of such Rollover Accounts at any time during a Plan Year; provided that such withdrawal
shall be paid pursuant to a method of payment elected by the Participant in accordance with
Section 8.1(c) and the value of such Rollover Accounts shall be determined in accordance with
Section 8.1(d).

8.2 Distributions to Beneficiaries. If a Participant dies before distribution of his or her Plan
Benefit has commenced, a distribution election made by the Beneficiary shall specify the form of
payment as provided in Section 8.1(c) and the date on which payments shall commence. If a
Participant dies at any time before his or her entire Plan Benefit has been distributed, then the
Participant’s Beneficiary may make subsequent distribution elections as provided in Section
8.1(c). Notwithstanding the foregoing, any distribution to a Beneficiary shall be made in
accompanied with the provisions of Section 401(a)(9) of the Code and subject to Sections 8.6(d) and (e).

8.3 **Distributions to Alternate Payees.** A distribution to an Alternate Payee may be paid in a single lump sum as soon as practicable following the qualification of the Qualified Domestic Relations Order and the close of all appeals to the Qualified Domestic Relations Order if the Alternate Payee consents to such lump sum distribution. In the event that the Alternate Payee does not consent to receive his or her distribution in a single lump sum as soon as practicable following the qualification of the Qualified Domestic Relations Order, the Alternate Payee may make an election to receive a distribution any time after the Earliest Retirement Date, subject to any requirements of Section 401(a)(9) of the Code and Section 8.1(c), by filing a distribution election specifying the form of payment as provided in Section 8.6 and the date on which payments shall commence.

8.4 **Eligible Rollover Distributions.**

(a) **Participant Rollover Distributions.** In connection with a Participant’s Severance from Employment, the Distributee may elect, at the time and in the manner prescribed by the Administrative Service Agency, to have all or any portion of the Participant’s Accounts that qualifies as an Eligible Rollover Distribution paid directly to the trustee of an Eligible Retirement Plan; provided that such other plan provides for the acceptance of such amounts by the trustee. The Plan shall provide written information to Distributees regarding Eligible Rollover Distributions to the extent required by Section 402(f) of the Code.

(b) **Beneficiary Rollover Distributions.** Upon a Participant’s death, a Beneficiary may elect, at the time and in the manner prescribed by the Administrative Service Agency, to have all or any portion of the Participant’s Accounts that qualifies as an Eligible Rollover Distribution paid directly to the trustee of an individual retirement arrangement (as defined in Section 7701(a)(37) of the Code) that is established for the purpose of receiving the distribution on behalf of such Beneficiary.

(c) **Roth IRA Rollover Distribution.** In connection with a Participant’s Severance from Employment or upon a Participant’s death, as the case may be, a Participant or a Beneficiary may elect, at the time and in the manner prescribed by the Administrative Service Agency, to have all or any portion of the Participant’s Accounts that qualifies as an Eligible Rollover Distribution rolled over to a Roth individual retirement arrangement (as defined in Section 7701(a)(37) of the Code, and designated as a Roth arrangement at the time of its establishment). Such amounts will be included in gross income as if the distribution had been made to such Participant or Beneficiary.

(d) **In-Plan Rollover to Roth Account.** To the extent the Committee has resolved to implement a Roth Program pursuant to Section 3.1(c) of Schedule A and the Committee has further resolved to allow in-Plan Rollover Contributions to a Roth Account pursuant to Section 8.4(d) of Schedule A, this Section 8.4(d) shall apply. Upon any distribution event pursuant to which a Participant, a Beneficiary who is a Participant’s Surviving Spouse or a spousal Alternate Payee would be permitted to have all or any portion of the Participant’s Plan Benefit that
qualifies as an Eligible Rollover Distribution rolled over into another Eligible Retirement Plan, such Participant, Beneficiary who is a Participant’s Surviving Spouse or spousal Alternate Payee may elect to have the portion of such Eligible Rollover Distribution that is not attributable to Roth Contributions or outstanding loans directly rolled over into a separately maintained Account within his or her Roth Account. Any such amounts will be included in gross income as if the distribution had been made to such Participant, Beneficiary who is a Participant’s Surviving Spouse or spousal Alternate Payee. After a Participant, Beneficiary who is a Participant’s Surviving Spouse or spousal Alternate Payee has made an in-Plan rollover into a Roth Account, such Participant, Beneficiary who is a Participant’s Surviving Spouse or spousal Alternate Payee may elect to take distributions from such Account in accordance with any of the distribution options set forth in Section 8.1(c). The provisions in Section 8.4(d) shall be administered in accordance with procedures established by the Administrative Service Agency and shall be interpreted and administered in accordance with and subject to Section 402A(c)(4) of the Code and any rules, regulations or other guidance issued by the Internal Revenue Service in relation thereto.

8.5 **Withholding.** The Trustee shall withhold or cause to be withheld from any amounts withdrawn or distributed all federal, state, city or other taxes as shall be required pursuant to any law or governmental ruling or regulation, including Treasury Regulations.

8.6 **Required Minimum Distributions.**

(a) **In General.** Notwithstanding any other provision of the Plan to the contrary (except Section 8.6(b)), all distributions under the Plan shall be in accordance with the minimum distribution and timing requirements of Section 401(a)(9) of the Code (including the incidental death benefit requirements of Section 401(a)(9)(G) of the Code) and the final Treasury regulations under Sections 1.401(a)(9)-2 through 1.401(a)(9)-9, which are incorporated herein by reference. Such provisions shall override any distribution options in the Plan that may be inconsistent with Section 401(a)(9) of the Code. Any distributions made pursuant to this Section 8.6 in order to comply with Section 401(a)(9) of the Code shall be charged against the Account or Accounts of the Account Participant in such manner as designated by the Account Participant in accordance with procedures established by the Administrative Service Agency; *provided, however,* that if no such designation is made, such distributions shall be charged first against the Before-Tax Deferral Account, second against the Roth Account (to the extent applicable), third against the Rollover Account or Rollover Accounts not relating to Rollover Contributions of amounts from a Qualified Roth Contribution Program, and fourth against the Rollover Account or Rollover Accounts relating to Rollover Contributions of amounts from a Qualified Roth Contribution Program.

(b) **2009 Waiver.** Notwithstanding anything to the contrary in Section 8.6, an Account Participant who would have been required to receive required minimum distributions for 2009 but for the enactment of Section 401(a)(9)(H) of the Code (“2009 RMDs”), and who would have satisfied that requirement by receiving distributions that are (i) equal to the 2009 RMDs or (ii) one or more payments in a series of substantially equal distributions (that include the 2009 RMDs) made at least annually and expected to last for the life (or life expectancy) of the Participant, the joint lives (or joint life expectancy) of the Participant and the Participant’s Beneficiary, or for a period of at least 10 years, will not receive those distributions for 2009.
unless the Participant or Beneficiary chooses to receive such distributions. Participants and Beneficiaries described in the preceding sentence will be given the opportunity to elect to receive the distributions described in the preceding sentence.

(c) Distributions During Participant’s Life. The Plan Benefit of a Participant shall be distributed (or commence to be distributed) to such Participant as soon as practicable after the Required Beginning Date. If the Participant has not made an election pursuant to Section 8.1(c) prior to such Required Beginning Date, then the Plan Benefit shall be distributed in the form of installment payments commencing on the Required Beginning Date.

(d) Death of a Participant Before the Required Beginning Date.

(i) If a Participant dies before his Required Beginning Date, the remaining portion (if any) of such Participant’s Plan Benefit shall be distributed to his or her Beneficiary (or if the Participant has no Beneficiary, his or her Surviving Spouse or estate, as determined under Section 9.2) no later than December 31 of the calendar year containing the fifth anniversary of the Participant’s death (determined without regard to 2009), except as set forth in Sections 8.6(d)(i)(a) or (a) as follows:

(a) The Beneficiary may elect to receive a distribution of the Plan Benefit over a period not exceeding the life expectancy of the Beneficiary; provided that the distribution commences no later than December 31 of the calendar year immediately following the calendar year in which the Participant dies; or

(b) If the sole Beneficiary is the Participant’s Surviving Spouse, such Surviving Spouse may elect to receive a distribution of the Account over a period not exceeding the life expectancy of the Surviving Spouse (determined as of the date such payments commence); provided that the distribution commences on or before the later of December 31 of the calendar year immediately following the calendar year in which the Participant dies or December 31 of the calendar year in which the Participant would have attained age 70 ½; provided, further, that if the Surviving Spouse dies after the Participant but before distributions to the Surviving Spouse commence, Section 8.6(d) (with the exception of Section 8.6(d)(i)(a)) shall apply as if the Surviving Spouse were the Participant.

(ii) The Beneficiary may elect to receive payment of the Plan Benefit as a lump sum or in annual, monthly or quarterly installment payments.

(e) Death After Required Beginning Date and After Commencement of Distributions. If a Participant dies on or after the Required Beginning Date, but before his or her entire Plan Benefit is distributed to him or her, the unpaid portion of his or her Plan Account shall be distributed as follows:
(i) If the Participant has a designated Beneficiary, the longer of the remaining life expectancy of the Participant’s Beneficiary and the remaining life expectancy of the Participant determined in accordance with Section 1.409(a)(9)-5 of the Treasury Regulations; or

(ii) If the Participant does not have a designated Beneficiary, the remaining life expectancy of the Participant determined in accordance with Section 1.409(a)(9)-5 of the Treasury Regulations;

provided, however, that if a Beneficiary so elects, the Participant’s remaining Plan Benefit may be paid to the Beneficiary at any time in a lump sum so long as the entire Plan Benefit is paid at least as rapidly as it would be paid under Section 8.6(e)(i).

(f) Alternate Payee Accounts. In the case of any Alternate Payee Account, payments to the Alternate Payee must be made in accordance with the Plan and Section 401(a)(9) of the Code.

8.7 Special Proceeds. If the Plan receives Special Proceeds (as defined below) that are allocable to an Account Participant who has received a final distribution of his or her entire Plan Benefit, then the Plan shall distribute such Special Proceeds to the former Participant, Beneficiary, or Alternate Payee (or in accordance with Section 9.2, if the Participant is deceased and no Beneficiary designation was in effect at the time of the Participant’s death, or to the estate of Beneficiary or Alternate Payee, as applicable, if such person is deceased) in a lump sum as soon as practicable after the Plan receives such Special Proceeds unless, at the time of such mandatory distribution, the value of such distribution would exceed $1,000. For purposes of Section 8.7, “Special Proceeds” means amounts attributable to a settlement of any dispute or controversy related to any of the assets previously attributable to any Account of the former Participant, Beneficiary, or Alternate Payee or any other amounts allocable under the Plan to a former Participant, Beneficiary, or Alternate Payee relating to an adjustment to the amount or value of any such Account.
SECTION 9
DESIGNATION OF BENEFICIARIES

9.1 Written Designation of Beneficiaries. Each Participant shall file with the Administrative Service Agency a written designation of one or more persons as the Beneficiary who shall be entitled to receive the Plan Benefit, if any, payable under the Plan upon his or her death. A Participant may from time to time revoke or change his or her Beneficiary designation without the consent of any prior Beneficiary by filing a new written designation with the Administrative Service Agency. The last such designation received by the Administrative Service Agency “in good order” shall be controlling; provided, however, that no designation or change or revocation thereof shall be effective unless received by the Administrative Service Agency in good order prior to the Participant’s death, and in no event shall it be effective as of a date prior to such receipt. For purposes of Section 9, a Beneficiary designation shall be deemed to be received in good order only if the Administrative Service Agency can reasonably identify the Beneficiary or Beneficiaries named in the designation.

9.2 No Beneficiaries Designated. (a) If no such Beneficiary designation is in effect at the time of a Participant’s death, or if no designated Beneficiary survives the Participant, or if no designated Beneficiary can be located with reasonable diligence by the Administrative Service Agency, the payment of the Plan Benefit, if any, payable under the Plan upon the Participant’s death shall be made by the Trustee from the Trust Fund to the Participant’s Surviving Spouse, if any, or if the Participant has no Surviving Spouse, or the Surviving Spouse cannot be located with reasonable diligence by the Administrative Service Agency, then to the deceased Participant’s estate. If the Administrative Service Agency is in doubt as to the right or entitlement of any person to receive such amount, the Administrative Service Agency shall inform the Committee and the Trustee, and the Trustee may retain such amount, without liability for any interest thereon, until the rights thereto are determined, or the Trustee may pay such amount into any court of appropriate jurisdiction or to any other person pursuant to applicable law and such payment shall be a complete discharge of the liability of the Trustee, Plan, Committee, Employer, Administrative Service Agency and Financial Organizations.

(b) If the Beneficiary so designated by the Participant dies after the death of the Participant but prior to receiving a complete distribution of the amount that would have been paid to such Beneficiary had such Beneficiary’s death not then occurred, then, for purposes of the Plan, the distribution that would otherwise have been received by such Beneficiary shall be paid to the Beneficiary’s estate.

9.3 Surviving Spouse. Notwithstanding Section 9.2, a Beneficiary who is a Surviving Spouse of the Participant may designate a subsequent Beneficiary, subject to the same filing requirements of Section 9.1, to the extent permitted under Section 401(a)(9) of the Code. To the extent such Surviving Spouse is not permitted or does not elect to designate a subsequent Beneficiary pursuant to the preceding sentence, and the Surviving Spouse dies prior to receiving a complete distribution of the amount that would have been paid to such Surviving Spouse had such Surviving Spouse’s death not then occurred, then, for purposes of the Plan, the distribution that would otherwise have been received by such Surviving Spouse shall be paid to the Surviving Spouse’s estate.
SECTION 10
QUALIFIED DOMESTIC RELATIONS ORDERS

10.1 **Qualified Domestic Relations Order.** Payments with respect to a Participant’s Plan Benefit may be made by the Trustee from the Trust Fund to one or more Alternate Payees pursuant to the terms of a Qualified Domestic Relations Order. Upon segregation of the assets payable to an Alternate Payee in an Alternate Payee Account or the payment of such benefits to the Alternate Payee, any such amounts paid or segregated shall no longer constitute part of the Participant’s Plan Benefit. No liability whatsoever shall be incurred by the Committee, the Trustee, the Employer, the Administrative Service Agency, the Review Committee or any Financial Organization solely by reason of any act or omission undertaken in accordance with this section to comply with the terms of a Qualified Domestic Relations Order.

10.2 **Suspension of Distributions During Claim Period.** Subject to the discretion of the Administrative Service Agency or the Committee, no distribution of any Plan Benefit shall be permitted in any period during which a purported Qualified Domestic Relations Order claim, against all or part of such Plan Benefit, is being reviewed in accordance with the provisions of Section 11.8. If the Administrative Service Agency reasonably believes that a purported Qualified Domestic Relations Order against all or part of any Plan Benefit is likely to be asserted, the Committee may refuse to permit any distribution of all or part of such Plan Benefit pending determination of such claim.
SECTION 11
ADMINISTRATION

11.1 Plan Administration. Except as otherwise provided herein, the operation and administration of the Plan shall be the responsibility of the Committee and the Committee shall have all of the broad, general authority necessary or advisable to operate and administer the Plan. The Committee shall have the power and the duty to take all action and to make all decisions necessary or proper to carry out its responsibilities under the Plan. All determinations of the Committee as to any question involving its responsibilities under the Plan, including, interpretation of the Plan or as to any discretionary actions to be taken under the Plan, shall be solely in the Committee’s discretion and shall be final, conclusive and binding on all parties.

11.2 Committee Powers and Duties. Without limiting the generality of the foregoing, the Committee shall have the following powers and duties:

   (a) to require any person to furnish such information as it may request for the purpose of the proper administration of the Plan as a condition to receiving any benefit under the Plan;

   (b) to make and enforce such rules and regulations and prescribe the use of such forms as it shall deem necessary for the efficient administration of the Plan;

   (c) to interpret the Plan and to resolve ambiguities, inconsistencies and omissions in the terms of the Plan or any document related to the Plan;

   (d) to decide all questions concerning the Plan and the eligibility of any Employee or other individual to participate in the Plan;

   (e) to determine the amount of benefits which shall be payable to any person in accordance with the provisions of the Plan;

   (f) to enlarge or diminish any applicable time period set forth in the Plan, subject to applicable law; and

   (g) to determine the methods and procedures for the implementation and use of any automated telephone, computer, internet, intranet or other electronic or automated system adopted by the Committee for purposes of Plan administration, including, for receiving and processing enrollments and instructions with respect to the investment of assets allocated to an Account Participant’s Accounts and for such other purposes as may be designated from time to time.

11.3 Limitation of Liability. Except as may be prohibited by applicable law, neither the Committee nor any member thereof shall be liable for (a) anything done or omitted to be done by it or by them unless the act or omission claimed to be the basis for liability amounted to a failure to act in good faith or was due to gross negligence or willful misconduct; (b) the payment of any amount under the Plan; or (c) any judgment or reasonable mistake of fact made by it or on its behalf by a member of the Committee. No member of the Committee shall be personally liable under any contract, agreement, bond or other instrument made or executed by him or her or on his or her behalf in connection with the Plan or Trust Fund.
11.4**Trustee.** The Trustee shall have responsibility for the custody and safekeeping of the assets of the Plan and the Trust Fund and the valuation of such assets in accordance with the terms of the Trust Agreement and, in conjunction with the Administrative Service Agency, shall be responsible for implementing the aggregated investment decisions of Participants and beneficiaries by allocating the Plan assets to the various Investment Options. The Committee shall periodically review the performance and methods of the Trustee and the Committee may, subject to the terms of the Trust Agreement, appoint and remove or change the Trustee at any time for any reason or for no stated reason. If the Trust Agreement so provides, the Trustee may also serve as the Administrative Service Agency and perform the record keeping services normally performed by a third party Administrative Service Agency or may provide the services normally provided by a Financial Organization, provided that the Trustee otherwise qualifies as an Administrative Service Agency or a Financial Organization, as the case may be.

11.5 **Financial Organizations.** The Committee shall have the power to appoint or remove one or more Financial Organizations and to delegate to such Financial Organization(s) authority and discretion to manage (including the power to acquire and dispose of) the assets of the Plan and Trust Fund in accordance with the Regulations and the Plan. The Committee shall periodically review the performance and methods of such Financial Organization(s). The Committee has the right to (i) replace any Financial Organization or Investment Option with a successor Financial Organization or Investment Option or (ii) to select any additional Financial Organization or Investment Option.

11.6 **Delegation.** The Committee may delegate its general authority as it deems appropriate in accordance with the terms of the Plan and all applicable Code sections; *provided, however,* that such delegation shall be subject to revocation at any time at the discretion of the Committee. Notwithstanding any other provision of the Plan, the Committee’s general authority shall include the right to review, revise, modify, revoke, or vacate any decision made or action taken by any party under the Plan to whom authority of the Committee has been delegated or to whom authority with respect to the administration of the Plan or the custody and investment of the assets of the Trust Fund has been delegated or assigned under the terms of the Plan, by the Committee or otherwise. The rights of the Committee under Section 11.6 include, the right to review, revise, modify, revoke, or vacate any decision of the Administrative Service Agency or the Review.

11.7 **Plan Expenses.**

(a) **Assessment Against the Trust Fund.** Subject to 11.7(b), the expenses of administering the Plan, including (i) the fees and expenses of the Financial Organizations and Administrative Service Agency for the performance of their duties under the Plan, including any fees and expenses associated with a change, termination or addition of an Investment Option, (ii) the fees, if any, of any member of the Committee and any Trustee and the expenses incurred by the Committee or any of its members or any Trustee in the performance of their duties under the Plan (including reasonable compensation for any legal counsel, certified public accountants, consultants, and agents, employees of the Committee and cost of services rendered in respect of the Plan and the Trust Agreement (as provided therein)), and (iii) all other proper charges and disbursements of the Financial Organizations, Administrative Service Agency, the Committee or its members (including settlements of claims or legal actions approved by counsel to the Plan) or
any Trustee shall be allocated to and paid out of the assets of the Trust Fund in accordance with such allocation and payment procedures as the Committee shall establish from time to time. The Committee is authorized to levy a fee against the Accounts of Account Participants for the purpose of paying some or all of such expenses, except where the Employer elects to pay such expenses directly; provided, however, that any such fees shall be levied on a pro-rata basis from the Account Participant’s various Accounts at any given time, including Before-Tax Deferral Accounts, Roth Accounts (to the extent applicable), Rollover Accounts not relating to Rollover Contributions of amounts from a Qualified Roth Contribution Program, and Rollover Accounts relating to Rollover Contributions of amounts from a Qualified Roth Contribution Program.

(b) Investment Expenses. Unless the Committee determines otherwise, brokerage fees, transfer taxes and any other expenses incident to the purchase or sale of securities for any Investment Option shall be deemed to be part of the cost of such securities, or deducted in computing the proceeds therefrom, as the case may be. The Administrative Service Agency shall appropriately deduct any taxes assessed in respect of any assets held, income received, or transactions effected under any Investment Option proportionately against any Accounts that are invested in such Investment Option.

11.8 Review of Claims.

(a) Initial Claim of Rights or Benefits and Review. Any claim to rights or benefits under the Plan, including, any purported Qualified Domestic Relations Order, or request for an Unforeseeable Emergency Withdrawal must be filed in writing with the Committee, or with such other entity as the Committee may designate. Within sixty days after receipt of such claim, the Committee, or such other entity designated by the Committee, shall notify the claimant and, if such claimant is not the Account Participant, any Account Participant against whose Plan Benefit the claim is made, that the claim has been granted or denied, in whole or in part. Notice of denial of any claim in whole or in part by the Committee, or by such other entity designated by the Committee, shall include the specific reasons for denial and notice of the rights granted by Section 11.8.

(b) Review of Decision. Any claimant or Account Participant who has received notice of denial or grant, in whole or in part, of a claim made in accordance with the foregoing Section 11.8(a) may file a written request within thirty days of receipt of such denial for review of the decision by the Review Committee. Within ninety days after receipt of such request for review, the Review Committee shall notify the claimant and, as applicable, the Account Participant, that the claim has been granted or denied, in whole or in part; provided, however, that the Review Committee may in its discretion extend such period by up to an additional 120 days upon notice to the claimant and, as applicable, the Account Participant, prior to expiration of the original ninety days that such additional period is needed for proper review of the claim. Notice of denial of any claim in whole or in part by the Review Committee shall include the specific reasons for denial and shall be final, binding and conclusive on all interested persons for all purposes.

11.9 Advisers. The Committee shall arrange for the engagement of legal counsel and certified public accountants, who may be counsel or accountants for the Employer, and other consultants, including an investment adviser, and make use of agents and clerical or other personnel, for
purposes of this Plan. The Committee may rely upon the written opinions of counsel, accountants and consultants, and upon any information supplied by the Trustee, a Financial Organization or Administrative Service Agency appointed in accordance with the Regulations.

11.10 **Limitation on Committee Power.** No member of the Committee shall be entitled to act on or decide any matters relating solely to such member or any of his or her rights or benefits under the Plan.

11.11 **Committee Action.** All actions of the Committee shall be taken at a public meeting in accordance with Article 7 of the Public Officers Law. The Committee shall establish its own procedures and the time and place for its meetings and provide for the keeping of minutes of all meetings.

11.12 **General Requirements.** Notwithstanding any other provision hereof, the Plan shall at all times be operated in accordance with the requirements of applicable law, including, the Regulations.
SECTION 12
AMENDMENT OR TERMINATION

12.1  Power to Amend and Terminate. Subject to any requirements of State or federal law, the Employer reserves the right at any time and with or without prior notice to any person to amend, suspend or terminate the Plan, to eliminate future deferrals and contributions for existing Participants, or to limit participation to existing Participants, in whole or in part and for any reason and without the consent of any Employee, Account Participant, Beneficiary or other person. No amendment, suspension or termination of any provisions of the Plan or any deferrals or contributions thereunder, the Trust Agreement or any Investment Option may be made retroactively, unless such retroactivity is allowed under State law, the Code and other applicable law.

12.2  Termination of Plan. Upon any action by the Employer to initiate a Plan termination, the Employer shall permit no further deferrals or contributions of Compensation under the Plan, and the Plan termination shall become effective upon the distribution of all Plan Benefits. After taking an action to initiate a Plan termination, the Employer may distribute all Plan Benefits to Account Participants or the Employer may provide that Plan Benefits and other interests in the Trust Fund shall continue to be payable as provided in the Plan. Any distributions, transfers or other dispositions of the Plan Benefits as provided in the Plan shall constitute a complete discharge of all liabilities under the Plan. The Committee and the Trustee(s) shall remain in existence and the Trust Agreement and all of the provisions of the Plan that the Employer determines are necessary or advisable for the administration and distribution, transfer or other disposition of interests in the Trust Fund shall remain in force.
SECTION 13
GENERAL LIMITATIONS AND PROVISIONS

13.1 Plan Binding on Account Participants. The Plan, as duly amended from time to time, shall be binding on each Account Participant and his or her Surviving Spouse, heirs, administrators, trustees, successors, assigns, and Beneficiaries and all other interested persons.

13.2 No Right to Employment. Nothing contained herein shall give any individual the right to be retained in the employment of the Employer or affect the right of the Employer to terminate any individual’s employment. The adoption and maintenance of the Plan shall not constitute a contract between the Employer and any individual or consideration for, or an inducement to or condition of, the employment of any individual.

13.3 Incapacitation or Incompetence. If the Administrative Service Agency shall find that any person to whom any amount is payable under the Plan is unable to care for his or her affairs, is a minor, or has died, then any payment due to such person or his or her estate (unless a prior claim therefor has been made by a Beneficiary, Surviving Spouse or duly appointed legal representative or the time period during which a Beneficiary or Surviving Spouse could make a claim under the Plan has not elapsed) may, if the Administrative Service Agency so elects, be paid to his or her spouse, a child, a relative, or any other person maintaining or having custody of such person otherwise entitled to payment or deemed by the Trustee to be a proper recipient on behalf of such person. Any such payment shall be a complete discharge of all liability under the Plan therefor.

13.4 No Alienation of Plan Benefits.
