Good Morning Matt,

Don spoke with Chris regarding the Fairgrounds Sign bid, ARP.602.119 (Fairgrounds/Park Station Sign 120,000) and was told if we could get the information to him today it would be on our Buildings & Grounds meeting. He wanted to make sure that the funding was secured, please see below:

ARP.602.119 40-9552 15997

120,000 approved (60,000 Park Station sign/60,000 Fairgrounds sign were combined into 1)
11,400 Foor & Associates agreement Res 23-354
127,000 RFB-2622 bid tab (Fairgrounds sign only)

18,400 more needed for Fairgrounds sign.

We have \$22,510.00 left from the Harris Hill Golf Green Replacement Project. Can we get this money transferred? And do I need to do something to make this happen?

Thank you for your help in this matter.

Angie
